Ford Defends Nixon, Says
He's No Political Liability

WASHINGTON (AP) — Vice President Gerald R. Ford rejects the idea that President Nixon's Watergate troubles have made him a political liability to fellow Republicans.

Ford firmly defended the President at a news conference Friday less than 24 hours after he took his oath as the nation's 40th vice president.

Many Republican lawmakers have privately expressed fears Nixon's low rating in public opinion polls may rub off on them. However, Ford said "If they had the opportunity to have the President appear, almost without exception they would be glad to have him."

Earlier, talking with newsmen during a picture-taking session outside the Senate chamber, Ford said "I don't think the President is a political liability to any candidate."

In his first full day as vice president, Ford spent barely over an hour presiding over the Senate.

He met for 45 minutes at the White House with President Nixon, where he was given a description of some vice presidential duties. He also received word that the President would present "some new programs" to Congress and reiteration that Nixon won't resign.

Ford said he asked the President about that so he would know what to say when he appears Sunday on a television program.

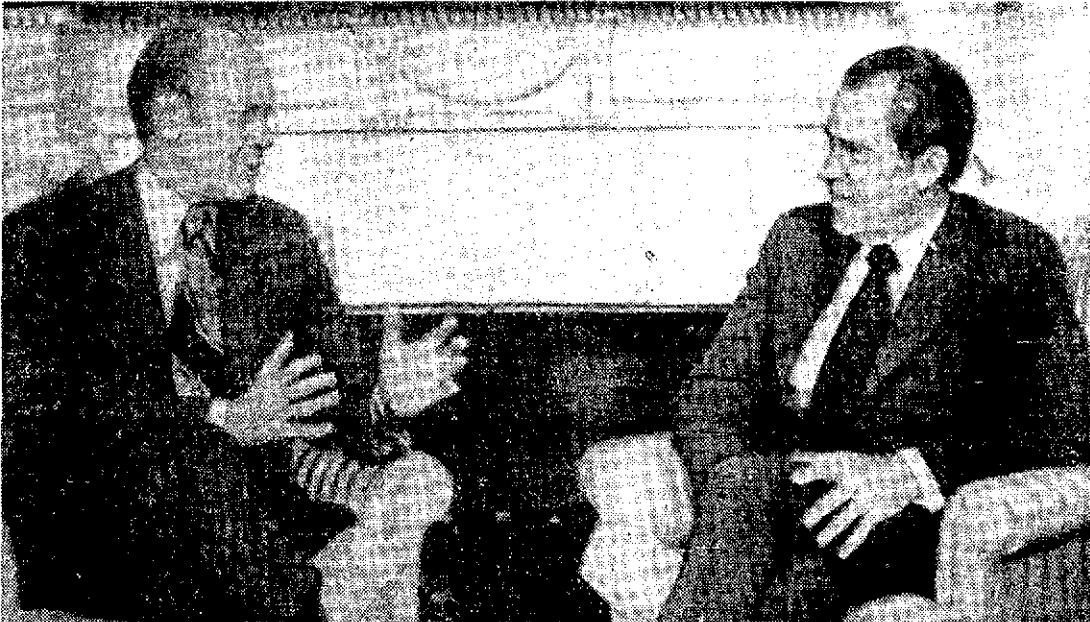

"The President has no intention whatsoever of resigning," Ford reported. "I have heard it before and it was reiterated to me this morning."

"I personally do not think he should resign," the vice president added, noting also that he sees "no evidence whatsoever" to justify a House vote in favor of impeaching Nixon.

He said he expects Nixon to release this month details of his finances and of his handling of the International Telephone & Telegraph Corp. and milk fund cases.

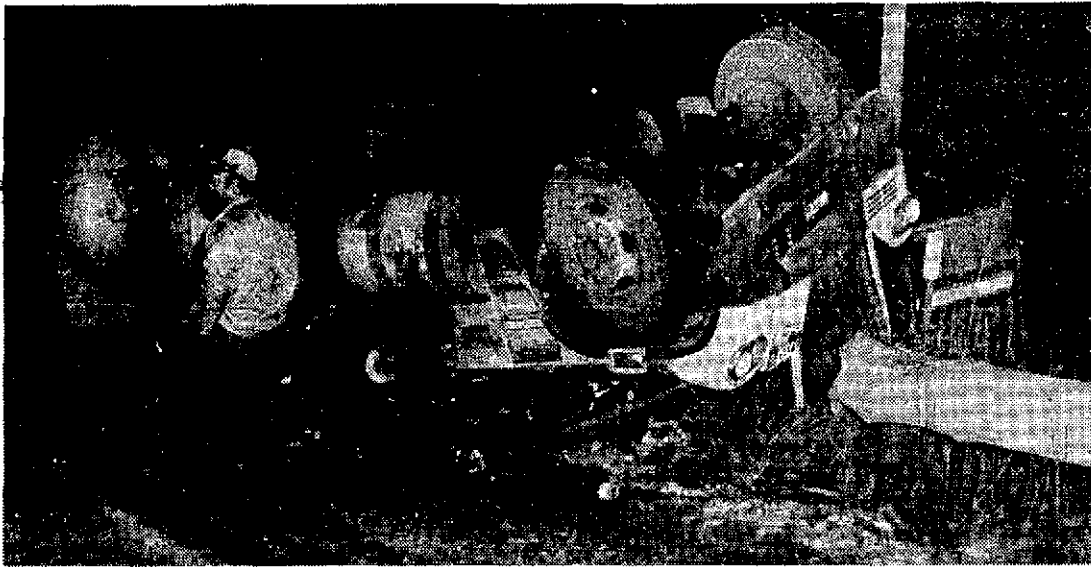

"When all of the facts are out," the vice president said, "he did assure me he will be completely exonerated. There will be no fair charges of involvement."

Ford said his duties will include presiding over the National Security Council and the Domestic Council in Nixon's absence. Also, he will be expected to carry out the political role performed by past vice presidents and to work closely with Congress.

House Gives Milliken Broad Energy Power

CRASH CLAIMS LIFE: Truck driver, identified by Berrien sheriff's officers as John W. Harris, 33, of Eau Claire, died early this morning in wreckage of semi that overturned on Pipestone road, Sodus township. Cause of accident has not been determined. (Staff photo)

Pipestone Road Roll-Over
Eau Claire Trucker Killed

An Eau Claire truck driver died this morning, when the cab and flatbed trailer of his semi rolled over on Pipestone road, just east of Yore avenue in Sodus township.

Berrien county sheriff's officers identified the victim as John W. Harris, 33, of Box 6, Berriea Center street.

Officers said the cause of the accident is not known, and apparently, there were no witnesses. Deputy Thomas Page came on the wreckage while on routine patrol about 4 a.m.

Page gave this account: The truck was headed southeast, toward Sodus, and was upside down on the left side of the road. The road has several curves in the area. The driver was trapped inside the crushed cab, and efforts to free him required more than an hour.

Officers said the victim died instantly of massive head injuries.

Page said the truck appeared to have swerved back and forth across the road several times before rolling over. The tractor and trailer came to rest just off the roadway.

Page said the truck was hauling steel coils, and two were found at the bottom of a deep ravine. Officers said it's not known if the load shifted, if the driver fell asleep, or the truck developed mechanical trouble.

Five wreckers were called to the scene, along with the Sodus township fire department. No fire resulted. Sheriff's officers were assisted by Sodus township police.

Harris is the 49th person to die so far this year in Berrien county traffic accidents

POTLUCK LUNCHEON AT LAWTON PLANT
54 Treated For Food Poisoning

By GARRETT DeGRAFF
Paw Paw Bureau

PAW PAW — Fifty-four employees of Welch's corporation who attended a luncheon at the company's Lawton plant yesterday were treated for food poisoning later in the day at Lake View Community hospital here, according to Van Buren county health officials.

Les Brown, county environmental health director, said meat served at the potluck retirement luncheon is believed to be the source of the poisoning.

According to a hospital spokesman, 54 persons were treated for the food poisoning between 3:30 p.m. and midnight.

Three of those treated were admitted to the hospital, while the others were treated and released, the spokesman said this morning.

Those admitted were identified as Thomas Wilkinson, Harry Mearning and Refugia Sanchez. All were said to be improving this morning.

The food poisoning caused vomiting, diarrhea, cramps, and, in some cases, fever, the spokesman said.

Extra hospital personnel were called to work and disaster coils were set up at the hospital to handle the influx of food poisoning cases, the spokesman said.

Samples of food served at the luncheon and vomit were relayed yesterday by state police to a state health department lab in Lansing, Brown said. Results of the lab analysis should be known within the next few days, he reported.

According to Brown, about 125 people are believed to have attended the luncheon, held at the Welch's plant from about 11 a.m. to 3 p.m.

He said he believes the poisoning to have developed in the food after it was purchased and while it was being prepared.

Brown said food served at the luncheon was prepared by company employees.

Food left over from the banquet has been destroyed, he said.

He said the Van Buren sheriff's department was instrumental in contacting persons who had taken food home.

Opponents Fear
'One-Man Rule'

LANSING, Mich. (AP) — Gov. William Milliken will soon have broad powers to deal with the energy crisis in Michigan if the state Senate approves an emergency bill some lawmakers feel is an invitation to oneman rule.

The House voted 67-17 for the measure Friday after hustling it out of two committees in time to get it through the legislature before lawmakers adjourn for their Christmas-New Year vacation next Friday.

The bill grants extraordinary authority to the governor and the Public Service Commission to deal with the energy crunch, including power over the utility and fuel companies, commercial business and activities affecting the daily life of every Michigan resident.

One key provision would permit the governor—upon declaring a "state of severe energy shortage"—to suspend virtually any law in the state when it would "in any way prevent, hinder or delay necessary action in coping with the severe energy shortage."

Backers of the bill—dubbed "the Emergency Energy Act of 1973,"—argue it is needed to provide prompt action to deal with the energy crisis. The effects of such a crisis might be too drastic to permit the usual legislative process to take its course, they explained.

But to overcome the objections of those who felt the legislature is giving away too much power, the bill was amended to provide legislative review and power to rescind governmental orders, along with the automatic expiration of orders.

Even as the bill approached passage, several House members criticized what they termed the "dictatorship" aspects of the bill and what they considered the abdication of authority by the legislature.

Tile Mart
Damaged
By Fire

Extensive smoke damaged was believed inflicted on the Tile Mart, 2280 M-139 south, Benton township, this morning when a fire broke out.

Benton township firemen extinguished the fire that was caused by a cutting torch used in remodeling work at the store, but not before smoke had filled the building.

Police arrested seven truck drivers near Lamar, Pa., early today after they stopped their tractor-trailers on Interstate 80. Police said the traffic flow was interrupted only briefly.

And in Ohio, about 700 drivers threatened to block the Ohio Turnpike near Toledo early today.

However, truckers elsewhere appeared to have accepted the government concessions.

Meanwhile, Teamsters union President Frank Fitzsimmons arranged to meet today with President Nixon to discuss the truckers' grievances about fuel limitations, price gouging on fuel by some retailers and lowered speed limits.

Fitzsimmons, who has not supported the truckers' sporadic blockades of major highways, met for more than an hour Friday night with William E. Simon, head of the new Federal Energy Administration.

PROMOTING TOWER DEDICATION: Richard Mack (left), air traffic control tower chief, checks posters to be distributed throughout Twin Cities calling attention to dedication and open house at Ross field control tower. E. A. Larson, a member of the airport board, is in charge of the Program. The dedication program will be at 11 a. m. next Friday, followed by open house, display of lunar rock and aviation films. Open house also will be held Saturday, Dec. 15, 1-3 p.m. Event occurs on 70th anniversary of flight. (Staff photo)

Truckers' Rebellion
Slows To Low Gear

WASHINGTON (AP) — A truck drivers' rebellion that resulted in blocked highways has slowed to low gear after a federal agency promised concessions.

Police arrested seven truck drivers near Lamar, Pa., early today after they stopped their tractor-trailers on Interstate 80. Police said the traffic flow was interrupted only briefly.

And in Ohio, about 700 drivers threatened to block the Ohio Turnpike near Toledo early today.

However, truckers elsewhere appeared to have accepted the government concessions.

Meanwhile, Teamsters union President Frank Fitzsimmons arranged to meet today with President Nixon to discuss the truckers' grievances about fuel limitations, price gouging on fuel by some retailers and lowered speed limits.

Fitzsimmons, who has not supported the truckers' sporadic blockades of major highways, met for more than an hour Friday night with William E. Simon, head of the new Federal Energy Administration.

A delegation of four truckers who have negotiated in Washington with various government agencies went back behind the wheel after receiving a key concession from the Interstate Commerce Commission.

The ICC agreed to revise its procedures to permit truck operators to pass along quickly to shippers increased costs caused by the fuel price hikes.

ICC Chairman George Stalford said the commission likely would shorten to 10 days the notification period truck operators must give their customers before changing rates. The period now ranges from 30 to 45 days.

The ICC announcement satisfied the four-man delegation, which said it represented an informal group of truck operators.

"We don't see any reason for a shutdown now," said J.W. "River Rat" Edwards of Overland Park, Kan., spokesman for the group. "We're going back to our units tonight and start hauling."

A second group, sponsored by Overdrive Magazine, also has been meeting with federal officials and has threatened a shutdown by its membership next Thursday and Friday unless their demands are met.

Sporadic blockades by angry truckers snarled traffic on major highways this week, but the problems stopped Friday

Work is progressing quite briskly on the viaduct.

Clive Davis is surely incorrect in arguing that music merely reflects culture. Yes it does, but life also imitates art. Is CBS willing to push the drug culture for corporate profit? And, if so for the destruction of how many lives are they corporately responsible?

Byrns Has Hot Competition For U.S. Bench

Chester J. Byrns of St. Joseph, presiding judge of Berrien county circuit court, has a bundle of competitors in his bid for appointment to a pending vacancy on the federal district court for western Michigan.

Fifteen candidates — including seven circuit judges, a probate judge and the U.S. attorney for Western Michigan — are being considered.

U. S. Senator Robert Griffin of Michigan is the man who'll give the nod. And so far, he isn't saying.

The fact that Byrns' hat is in the ring for the appointment was disclosed by this newspaper yesterday. His friends have been working for him quietly for the past three months. Yesterday the Berrien County Bar Association released a copy of a unanimous resolution it adopted urging appointment of Byrns.

All 15 of the candidates for the federal judgeship have mounted campaigns of varying intensity, soliciting endorsements from congressmen, bar associations and prominent Republicans.

Although federal judges are nominated by President Nixon and confirmed by the senate, Griffin controls federal patronage and makes the actual choice. Seven of Michigan's 12 U.S. District judges owe their jobs to Griffin. The other five entered office

during previous administrations.

Griffin also recommended Judge W. Wallace Kent of Kalamazoo for the U.S. 6th Circuit Court of Appeals at Cincinnati. Kent died last May and Engel, a 1970 Griffin appointee, is his choice to succeed Kent. The White House is expected to send Engel's nomination to the Senate in a few days.

The Western District court is headquartered at Grand Rapids and has jurisdiction over 34 counties in Lower Michigan and the entire Upper Peninsula.

Circuit Judges whose names figure in speculation for Engel's seat include Byrns of St. Joseph, Stuart Hoffius and George V. Boucher of Grand Rapids, James F. Schoener of Muskegon, Creighton R. Coleman of Battle Creek, Wendell A. Miles of Grand Haven, William R. Peterson of Cadillac and Bernard H. Davidson of Marquette.

Others in the running are Probate Judge Robert Payant of Iron Mountain; John Milanowski of Grand Rapids, U.S. attorney for the Western District; Harold Sawyer, senior partner in a prominent Grand Rapids law firm; William S. Farr of Grand Rapids, the 1970 GOP candidate for state attorney general; Gordon H. Kriekard, a Kalamazoo attorney; Walter Russell, of Grand Rapids, former

Kent County GOP chairman, and Stuart Hubbell of Traverse City, former county prosecutor.

Many of the candidates have impressive political connections. Milanowski is a protégé of Vice President-designate Gerald R. Ford. Kriekard is a former law partner of Rep. Garry Brown, R-Schoolcraft, and Sawyer practiced law with Rep. Guy Vander Jagt, R-Luther.

Judge Coleman is the husband of Michigan Supreme Court Justice Mary Coleman and Farr has ties to the state GOP. Judge Schoener is reported to be a close friend of Griffin and Hubbell, who practices law in Traverse City, is even closer. Hubbell recently joined Griffin's staff as a legal consultant during Senate Rules Committee hearings on Ford's vice presidential nomination.

The Berrien County Bar Association resolution urging Byrns' appointment was forwarded Thursday to Sen. Griffin by Atty. Robert Sloan of Niles, president of the county bar. The complete text follows:

Whereas, the President of the United States has sent to the United States Senate for confirmation the nomination of the Honorable Albert J. Engle for the United States Court of Appeals Sixth Circuit; and,

Whereas, such confirmation will vacate the office of United States District Judge for Western Michigan currently held by Judge Engle; and

Whereas, during this 15 years as practicing attorney and thereafter seven years as Circuit Judge of Michigan for Berrien County (the past three as Presiding Circuit Judge) the Honorable Chester J. Byrns has amply proven outstanding qualities of character, ability, industry, dedication, justice, human understanding, legal scholarship and courtesy, which well qualify him to hold the office of United States District Judge for Western Michigan and to perform the duties thereof with great distinction;

Now therefore be it resolved that, the membership of the Berrien County Bar Association unanimously recommend to the President of the United States and to the Honorable Robert Griffin, United States Senator from Michigan, the nomination of Judge Byrns to succeed Judge Engle as a United States District Judge for Western Michigan and further direct the president of the Berrien County Bar Association to sign on their behalf and forthwith forward this Resolution to Senator Griffin.

Donald P. Stone
President
Berrien County Bar.

Hearings Demanded By 6 Arrested In Drug Dragnet

Six persons arrested on Berrien Metro Narcotic squad warrants Friday demanded examinations when arraigned in

Berrien Fifth District court on charges of delivery of such drugs as marijuana, LSD and barbiturates.

Demanding examination in District court on charges of delivery of marijuana were:

Jill A. Bultema, 19, of

Lakewood drive, Coloma. The alleged offense occurred Nov. 2 at the Playhouse, Coloma township. She is free on a \$2,000 personal recognizance bond.

Michael R. Hanika, 20, of Lake road, Coloma. The alleged offense took place Nov. 8 in Coloma. Bond was set at \$2,500.

William H. Mitchell, 22, of Johnson road, Stevensville. He allegedly delivered the drug Sept. 28 in St. Joseph township. Bond was set at \$1,500.

Charlie K. Cannon, 19, of 316 South Main, Watervliet. The alleged offense occurred Nov. 15 in Coloma. He is free on \$3,500 bond.

Also demanding examination were:

Ben E. Gerren, 17, of 223 Jamesway, Benton Harbor, on a charge of delivery of barbiturates. The alleged offense was in Benton Harbor Sept. 25. He is free on \$2,000 bail.

John B. Ferguson, 22, of Defield road, Coloma, on charges of delivery of marijuana and delivery of LSD. The alleged offenses occurred in Watervliet and Coloma township. Bonds were set at \$5,000.

Sgt. Don Ives, Metro commander, said a charge of delivery of barbiturates against Carl J. Rapert, 25, of 605 Wayne street, St. Joseph, was dropped because of a defective warrant.

Contract Is Signed

A three-year contract, providing for an immediate 31-cent an hour pay hike, was signed Friday by representatives of Whirlpool's St. Joseph division and Local 1672 International Brotherhood of Electrical Workers.

The contract also contains an unlimited cost of living clause and improved fringe benefits.

The local represents 31 workers at the division.

Local 1918 International Association of Machinists, representing production workers, settled with the division last spring.

Youth Captured

RIVER ROUGE, Mich. (AP) — A 21-year-old River Rouge youth who had escaped from a prison camp about a year ago was recaptured Friday by police.

The youth, identified by police as John Bishop, had fled the Camp Waterloo prison camp near Jackson after serving only a few days on a breaking and entering charge, authorities said.

27, of 271 Territorial, Benton Harbor, pleaded guilty to a breaking and entering charge.

It alleged he broke into Dr. James Maxwell's office at Plaza drive, Benton township, on Sept. 1. Bell was returned to jail in lieu of \$5,000 bond pending sentence up to 10 years.

The prosecution, as a result of plea bargaining, agreed to dismiss other charges of delivery of heroin and larceny in a building.

defense presented its side.

"As the testimony developed during the course of trial," said Prosecutor Ronald Taylor, "it appeared to our satisfaction that the facts of the case did not justify the principal charge and that the interests of justice would be served by the plea that was ultimately entered."

Grand Rapids Atty. Alphonse Lewis was defense counsel.

In Judge William S. White's court, Howard "Rabbit" Bell,

Guilty Pleas Entered

Two Benton Harbor men pleaded guilty Friday in Berrien circuit court to unrelated offenses.

Larry Edward Scales, 25, of 349 Brunson, ended a four-day trial on a delivery of heroin charge by pleading guilty to a lesser offense and was sentenced by Judge Chester J. Byrns to a two-year probation and \$400 fine and cost.

Scales was first accused of delivering heroin April 28 at his address, but pleaded to a charge of conspiring to commit a misdemeanor of "knowingly frequenting a place where an illegal occupation or business is being conducted."

He waived presentence investigation and was sentenced.

The prosecution offered the lesser included offense during its trial case and before the

CONCERN FOR ELDERLY: The student council of Sterne Brunson elementary school in Benton Harbor remembered senior citizens by holding a dance with admission one can of food. The council received about 200 canned goods, which they donated to the Senior Citizens center on Wall street as a kind of "reserve store." The council said that when senior citizens run short of funds, they will be able to

pickup some canned goods from the center. Pictured with many of the canned goods are (front): Donna Heindo, student council president and Lonnie Harris, vice president. Back row (from left) are: Mary Christian, treasurer; Mrs. Geneva Isom, advisor; J. Chris Grier, center coordinator; Mrs. Dorothy Jones, advisor, and Donna Pollins, secretary. (Staff photo)

Berrien Given \$80,000 To Purchase 'Oxbow' Site

Congressman Edward Hutchinson (R-St. Joseph) Friday announced the U.S. Department of Interior's bureau of outdoor recreation has approved an \$80,000 grant to the Berrien parks and recreation commission (PRC) to buy park land at Royalton township's "Oxbow."

The grant is to be matched by local funds to buy the 214-acre "Oxbow" bend of the St. Joseph river at Jasper Dairy road about six miles southeast of St. Joseph.

The offer puts the PRC in a spot. Royalton township board has objected to the park idea and parks commissioners haven't yet taken a stand on whether to buy the land from private owners.

"I would hope that the people of Berrien and in particular that township would welcome this possibility, now that we have the federal grant," said Bun Baldwin, PRC chairman.

He promised the PRC will talk to Royalton officials and said a "number of decisions" are yet to be made.

The PRC proposed buying the Oxbow, in the St. Joseph river floodplain, for possible hiking, nature walks, open play areas, fishing, swimming, boat launching and picnicking, but is forbidden by federal rules to discuss purchase price until later, said William Gebhard, county parks coordinator.

The next PRC meeting is Dec. 20 but it may be moved sooner to avoid holiday conflicts, "especially with news now of this grant," he said.

If accepted, it would be the

SPARKY AND FRIENDS: Junior fire marshal parties for 2,944 children at 27 elementary schools have been sponsored by the Twin City Cities Association of Independent Insurance Agents. Yesterday it was the turn of Columbus school, Benton Harbor, and Fire Capt. John Billups brought Sparky who helped outfit these two youngsters in firemen's gear. The ice cream parties were rewards for filling out home inspection reports during Fire Prevention Week. (Staff photo)

county parks coordinator.

The next PRC meeting is Dec. 20 but it may be moved sooner to avoid holiday conflicts, "especially with news now of this grant," he said.

If accepted, it would be the

PRC's first grant.

Gebhard noted the PRC made the Oxbow grant application early this year, before Royalton township board voiced its objection to the proposed park.

PRC does have funds to

match—if it decides to go ahead—but would seek Berrien county board of commissioner approval first "to keep them fully apprised of developments in the program," Gebhard said.

N-P GOOD FELLOWS

Repeat Givers Beautiful, But New Friends Needed

"I get by with a little help from my friends," sang Ringo Starr of the Beatles a few years ago.

Ringo may have been thinking of something else as he voiced

those words, but the song most certainly applies to the News-Palladium Good Fellows—with one major exception.

The Good Fellows want to do much more than just "get by." But it is going to take a lot more help from their "friends" before they can.

The N-P Good Fellow fund stands at \$1,078.71 today after being bolstered by \$67.50 worth of help from good friends. Today's contributors are all repeat givers, but newcomers are surely urged to give whatever they can, no matter how small, and become a friend and a Good Fellow.

To "get by" and help the not-

so-fortunate in Benton Harbor also enjoy the happiness of Christmas, the N-P Good Fellows need \$7,500. It almost seems like an insurmountable goal, but the Good Fellows are counting on YOU. Be a friend!!

The Women's Service League sent over \$25 today, and the Twin City Duplicate club kicked-in \$5. Apparently thinking along the same lines as Ringo, \$10 was sent in from someone signed: "A Friend."

Michele's Fashions donated \$15 in memory of Oscar M. Mitchell, and \$12.50 marched its way into the coffers from the Twin City Drum, Bugle, and Fife Corps., Inc.

H-P Good Fellow Fund

\$1,000 Barrier Cracked

Beat the drums! The Herald-Press Good Fellow fund has cracked the \$1,000 barrier.

In a "what comes first, the chicken or the egg?" the Good Fellow drum beating is in the same boat. For among the \$17.50 in gifts was \$12.50 from the Twin City Drum, Bugle and Fife Corps, Inc.

The question is: what comes first, the gift or the celebration? The \$17.50 received sends the total to \$1,002.50 leaving the \$3,500 goal well within our sights.

The Twin City Duplicate Club dealt the Good Fellows a \$5 hand

that will mean a lot of tricks for some youngster.

So this weekend if you should hear a drum, shuffle a deck of cards, address Christmas cards, make out a Christmas list, win at bingo, find an unusual Christmas present, solve a crossword puzzle, read and enjoy your horoscope, find a horse shoe, watch your favorite team win or get an unexpected gift then use that as a reminder to send your gift to Good Fellows.

There are some who will not experience any of those delightful things listed above but Christmas is a time everyone should be remembered.

Only Two Of You? Try These!

TASTY DISHES: Cooking for two is a challenge in economy and taste for Mrs. Allan Wagner of Benton Harbor. Freezing, canning, and gardening add to her budget saving ideas. (Staff photo)

Shares Budget Recipes

By MARYANNE BUTT
Staff Writer

Higher prices, a dislike for leftovers and perhaps even the recent energy shortage are factors which may make cooking for two not-so-easy in many homes.

For Mrs. Allan Wagner, however, this is not so. Mrs. Wagner lives at 1567 Norton, Benton Harbor, with her husband. Cooking for two in her home is economical as well as tasty.

Recipes for two are Mrs. Wagner's specialty.

Some recipes are clipped from magazines or newspapers and others she creates.

In addition to her recipes, Mrs. Wagner suggests that the cook in families of two should freeze meats which are not available in small enough quantities. Canning and gardening are also rewarding as well as money-saving ideas for any cook.

Mrs. Wagner is not the only cook in her family. To take some of the everyday drudgery out of cooking, she gives a helpful hint — have the man cook on weekends. This is the way things are supposed to be done in the Wagner household, although, according to Mrs. Wagner, it isn't always possible. Here are a few of the recipes for two Mrs. Wagner would like to share with other cooks who may be in the same "cooking-for-two" quandary:

DELICIOUS MEAT LOAF
1/2 pound lean ground beef
1/2 cup rolled oats (quick or old fashioned uncooked)
1/2 teaspoon salt
Few grains pepper
1/2 teaspoon dry mustard
1/2 teaspoon onion powder
1 egg, beaten
2 tablespoons sweet pickle liquid (or water)
1 tablespoon catsup
1 tablespoon brown sugar
liquid (or water)
1 teaspoon brown sugar
Combine first 8 ingredients; mix thoroughly and pack in 2 loaf pans. Place in slow broiler pan. Combine last ingredients; spread over loaf. Bake at 350 degrees 30 to 40 minutes. Make 2 servings.

LEMON PUDDING
4 eggs, separated
1/2 cup sugar
1/2 cup lemon juice
1/2 cups graham cracker crumbs
1. Beat the egg yolks until light and lemon colored. Add half the sugar and beat until well mixed. Add the lemon juice. Cook in the top part of a double boiler over boiling water until thick and smooth, stirring constantly. When custard is thick, remove from the hot water.

2. Beat the egg whites until stiff, adding the remaining sugar gradually. Fold the beaten egg whites into the hot custard. Pile in a serving dish making alternate layers of pudding and cracker crumbs. Chill and serve.

SAVORY STUFFED BAKED PORK CHOPS
2 1/2 cups soft bread crumbs
1/2 teaspoon salt
1/2 teaspoon sage
Dash pepper
1 1/2 tablespoons fat
1 1/2 tablespoons chopped onion
2 thick pork chops
1 tablespoon flour
1 tablespoon melted fat
1/3 cup condensed cream of tomato soup
1/4 cup water
Combine first 4 ingredients. Melt fat in skillet. Add onion and cook until soft. Combine with bread crumb mixture. Cut a pocket in each pork chop, insert half of the stuffing in each pocket. Seal pockets with wooden tooth picks. Lightly coat the chops with flour and brown slowly in melted fat in hot skillet. Place chops and drippings in baking dish. Combine tomato soup and water, pour

over chops. Bake, uncovered, at 375 degrees for 45 minutes, or until chops are tender. Serves two.

NIPPY SOUR CREAM POTATO SALAD

Half one-pound package frozen French fries, thawed
2 tablespoons finely chopped onion
1 hard-cooked egg, diced
1 tablespoon finely chopped green pepper
1 tablespoon chopped pimiento
3/4 cup dairy sour cream
1/2 teaspoon salt
Dash pepper
1 tablespoon pickle relish
1 tablespoon vinegar
Cut thawed French fries into 1/2 inch lengths. Combine them with remaining ingredients and toss lightly to blend. Chill thoroughly. Makes one pint.

Say Vows Today

BRIDGMAN — Miss Laraine VanHellen and Bruce James Lenardson were married this morning in Immanuel Lutheran church, Bridgman. The Rev. Rodney Otto officiated. Parents of the bride are Mr. and Mrs. Charles VanHellen, 9839 Baldwin road, Bridgman.

The groom is the son of Mr. and Mrs. Frank James Lenardson, Kalamazoo.

The bride wore her mother's gown of ivory satin chapel train. A Juliet headpiece trimmed with lace held her veil and she carried stephanotis and ivy with a white Bible.

Matron of honor was Mrs. Michael Topp, sister of the bride. Bridesmaids were Mrs. Joseph Noto, sister of the groom, and Miss Jayne Lynn Van Raaphorst.

Best man was Arthur Samson, Galesburg. Ushers were Joseph Noto, Todd Litje, John Mercier and Michael Topp.

A reception was held in the church.

Following a skiing trip to northern Michigan, the couple make their home at 910 Vine street, Kalamazoo.

The bride is a graduate of Bridgman high school and received her bachelor of arts degree from Western Michigan university. Her husband is a graduate of Kalamazoo Central high school and received a bachelor of science degree from

MRS. BRUCE LENARDSON
Laraine VanHellen

Western Michigan university. He is manager of Logos bookstore, Kalamazoo.

Chooses Family Album

NASHVILLE (AP) — Roy Clark, winner of the Country Music Association's Entertainer of the Year Award this year, passed up a chance to pose with Nashville's famed siders on his new album.

With him on "Roy Clark's Family Album" are his father, his uncle Dudley, his uncle Paul, his cousin Kenneth and Bob Schott, who runs the sheet metal plant and who works in

Host Yule Party Today

St. Joseph Ep. Club No. 240 and St. Joseph Elks No. 541 are co-hosting a Christmas party this afternoon for retarded children.

Treats, gifts, and entertainment as well as a special visit by Santa Claus were planned. Mrs. Krajecki of the Elks and Mrs. Ernest Steinke, representing the Emblem club, are co-chairmen.

They are also sending Santa Claus to the Lakeview Gard, the Gard Youth group at the First Methodist church, day care center at Royalton school and day care center at Berrien Springs.

Students of Maple Grove and Hilltop Gard were entertained at today's party where Thimble of the Clown was present and singing was to the music of the Minionaires.

Special Church Events

The Rev. and Mrs. Harold Shingledecker, missionaries to Burundi, Africa, will speak at **CHAPEL HILL UNITED METHODIST CHURCH**, Sodus, Sunday, Dec. 9, for the 10 a.m. worship service.

The Shingledeckers have served for five terms with World Gospel Mission.

The Rev. Shingledecker managed the press and helped to organize the first publishing agency for Rwanda and Burundi. At another time, he managed the Burundi Literature Center at Gitega and was responsible for ordering and

distributing books and literature across the country. For 13 years, he was WGM's field superintendent and also the legal representative for handling all business between the mission and the Burundi government. More recently, he taught at Mweya Bible Institute and Seminary.

A special musical program will close the current sacrifice drive at the **CHURCH OF OUR LORD AND SAVIOR JESUS CHRIST**, Benton Harbor, Sunday, Dec. 9, at 3:30 p.m.

Groups singing will include the Katy Davis Singers of Chicago, the Benton Harbor All Stars, Bennetts, and the Jerome Metcalf Singers. Soloists from out of town will include Robert Bettis, Chicago, and Christine Smith, Kalamazoo.

Choirs participating in addition to the host church's, will be Church of God in Christ No. 2, St. Mark Baptist, Friendship Baptist, and New Bethel Baptist, all of Benton Harbor.

The program, sponsored by the financial committee of the church, is chaired by Mrs. Raymond Landry with Miss Leler Hurst as mistress of ceremonies.

Youth Sunday will be observed by **PROGRESSIVE BAPTIST CHURCH**, Benton Harbor, Sunday, Dec. 9.

Music for the 11 a.m. worship service will be furnished by the youth choir.

The Gospel chorus will sponsor a musical program at 3 p.m. Special guests will be "The Five Keys" from Battle Creek and "The Gospel Harmonizers" of Benton Harbor.

Program chairman is Mrs. James Buchanan.

"Let's Get It Together" will be the theme of the second Sunday musical, sponsored by the music department of **PILGRIM REST BAPTIST CHURCH**, Benton Harbor, Sunday, Dec. 9, at 7:30 p.m.

Musical guests will be the senior choir of Hopewell Baptist church.

Mrs. Effie Razar and Louis Joseph are music directors.

The musical will be combined with a dedicatory service.

SAUGATUCK — GANGES SAUGATUCK UNITED METHODIST CHURCH will hold a potluck supper and parish conference Tuesday, Dec. 12, at 6:30 p.m.

Dec. 11, at 6:30 p.m. in the Saugatuck church.

GANGES — A family night potluck dinner will be held at 6:30 p.m. Sunday, Dec. 9, at the **GANGES UNITED METHODIST CHURCH**. Following dinner, there will be a Christmas program.

BERRIEN SPRINGS — An interdenominational Christmas drive, composed of several Berrien Springs churches will present a concert of sacred Christmas music at 7:30 p.m. Sunday, Dec. 9, at the **BERRIEN SEVENTH DAY ADVENTIST CHURCH**.

The public is invited. Prudence Cashbaugh and Timothy Mustard will be soprano and tenor soloists. The program will be directed by David Neff. Portions of Handel's "Messiah" will be presented.

THREE OAKS — "The Miracle of Bethlehem," a Christmas cantata by John M. Rasley, will be presented by the **THREE OAKS UNITED METHODIST CHURCH** at 8 p.m. Sunday, Dec. 9, in the church sanctuary. The public is invited.

The choir will be directed by Mrs. Klaus Friedburg with Mrs. Joseph Filling as organist.

Organ music prior to the cantata will be presented by Miss Sue Ann Heward.

This year's concert is being dedicated to two former church pastors, the late Rev. Donald Turbin and the late Rev. Everett Love, as well as former choir members.

A reception, honoring choir members, will follow in the church basement.

Brevity

Announce Birth — Mr. and Mrs. Manuel Smith, Battle Creek, announce the birth of a daughter, Heather Lynn, Dec. 4 at Battle Creek Community hospital. Grandparents are Mr. and Mrs. Delbert Doan and Mr. and Mrs. Ernest Smith, all of Benton Harbor.

ADD EXTRA FLAVOR — If you prepare mince meat pie, you may want to add an extra cup of cut up pitted prunes and chopped apple for extra volume and flavor.

Inspect Toys Carefully For Safety, Durability

Toy shopping is work. It is a little like going to a rock concert for the first time. Amid the noise and confusion, the knowledge you bring to the medium determines how much you get from it.

A working knowledge of what to look for in the toy smorgasbord is especially important this year when faced with dolls that do everything but apply for health insurance and cars that come equipped with everything but a recall notice from Detroit.

What makes a good toy? The National Safety Council, involved in the study of toys since 1925, says a good toy is safe, durable, made of quality materials, offers the child a variety of play possibilities and suits the child's age, ability and interests.

Inspect a toy carefully before you buy it, warns the NSC. Put it back on the shelf or report it to the clerk if it shows any of the following hazards: sharp points; rough or unfinished surfaces; cheap plastic or glass parts that can be easily broken; small detachable components which can be swallowed; shoddy construction; dangerous spikes or pins used to attach on eyes, ears, etc. on dolls or stuffed animals; parts activated by a spring or motor that may pinch fingers or catch hair. Make sure the toy has no toxic substances. Electrical toys should be reserved for older children and they should carry the Underwriters' Laboratories, Inc. label.

With these general safety rules in mind, the National Safety Council offers these guidelines to aid in your selection of toys for the pint-sized crowd on their Christmas list.

UP TO ONE YEAR—THE AGE OF AWARENESS

Babies like to feel, chew, hold, drop and look at things at this age. It is especially important that the toys you choose are sturdy, washable, unbreakable, non-toxic; have smooth edges; and that no parts of the toy are small enough to be swallowed. Good selections are brightly colored mobiles, squeak toys, rattles, dolls and stuffed animals.

ONE TO TWO—THE AGE OF INVESTIGATION

Children at this age are prob-

ing their environment. They like to know how things work. Their coordination is sharpening. What should Santa bring him? Large blocks with rounded corners, nests of objects that fit together, push and pull toys, large component peg boards and child size desks, tables and chairs.

TWO TO THREE—THE AGE OF EXPERIMENTATION

His senses and muscle development are maturing. He is beginning to enjoy playing with others and honing his social skills by sharing his toys with playmates. Suggested Christmas choices: large building blocks, wooden animals, sturdy and tip-proof cars, tricycles, wagons, rocking horses and non-toxic finger paints and modeling clay.

THREE TO FOUR—THE AGE OF IMITATION

The child is now picking up on the patterns of life-like playing. He copies the actions of older members of the family. A suggestion of toys could be miniatures of adult items such as telephones, dolls and doll buggies and beds, dish sets, trucks and tools such as carpet sweepers and gardening equipment. Crayons and multi-colored drawing paper also can help the child get a leg up on the school work for next year.

FOUR TO SIX—THE AGE OF CREATIVE AND FORMAL LEARNING

This is the age when children love to dress up and put on make-believe plays. It is also the time when he is learning to read and write at school. You can encourage and stimulate both these interests by choosing the proper toys. Gift wrap an assortment of flame-retardant costumes, wigs, funny hats, non-toxic makeup, puppets to spark his dramatic urge. The child-scholar will like a blackboard and chalk, his very own desk, paints and paint books, crayons, blunt-edged scissors; lots of practice paper and colorfully-illustrated story books.

SIX TO EIGHT—THE BODY-BUILDING YEARS

At this age, the child is usually interested in developing manipulative ability. Help him along with carefully selected safe playground equipment, roller skates, ice skates, a sled.

Busy little hands will enjoy sewing or carpenter kits, simple games and puzzles.

EIGHT YEARS AND OLDER—THE EMERGING PERSONALITY

From eight on to the teen years, the interests of the child vary according to individual preferences. Select play materials which stimulate and develop those interests.

Children during these formative years would appreciate hobby, arts and crafts items, gym or sports equipment, musical instruments, albums, tapes, books, games, magazine subscriptions. A bicycle carefully chosen for safety, size and weight and purpose is a welcome sight on any Christmas morning.

But the Safety Council says be it blocks or bikes, show your child how to use the toy correctly and safely. Supervise your child's play until he can handle the toy with some sophistication. The federal Consumer Product Safety Commission reports that each year some 132,000 toy-related injuries are serious enough to be treated in hospital emergency rooms. This year's little time spent with your child and his new toys might just prevent him from being another statistic.

Burl Ives Tours USA

NEW YORK (AP) — Folk singer Burl Ives has been touring the country on behalf of the Department of Interior's "Johnny Horizon—Clean Up the Environment" program.

Ives gives free concerts designed to enlist citizens in cleaning up their community. Admittance is a pledge from concert goers to devote a certain number of hours each week to beautifying their city.

Ives, a dedicated conservationist, has also cut radio spots which have been distributed to more than 4,000 stations.

Tigers' Jinx Seems Real After 81-80 Loss To Mona

BY JIM DeLAND
Sports Editor

MUSKEGON — Maybe there really is such a thing as a jinx. Benton Harbor basketball coach Earl McKee and his players certainly must be beginning to wonder after suffering a bitter 81-80 loss to Mona Shores here Friday night.

It is the fourth straight year the Sailors have upset Benton Harbor in the opening game of Lake Michigan Athletic Conference play and leaves the Tigers with another uphill struggle in the league race.

Unlike previous setbacks, the Tigers played well this time and

even a cursory glance at the statistics makes it apparent they did everything but win.

Paced by a brilliant 33-point performance by senior guard Gary Phillips, Benton Harbor put all five starters in double figures, outrebounded Mona Shores 46-34 and outshot the Sailors 48-6 to 44-7.

But one glaring deficiency cost the Tigers the game — free throw shooting.

Benton Harbor made only 8 of 21 free throw attempts, missing the first shot seven times in one-and-one situations while the Tigers converted 13 of 20 foul shots to gain their winning margin.

"I don't know why we didn't shoot free throws better tonight," McKee said dejectedly. "I don't know who those three-second calls were against, either."

The latter reference was to two lane violations that twice took the ball away from the Tigers in the final two minutes of the game when Mona Shores wiped out a 78-75 Benton Harbor lead with a string of six straight points.

The second call also erased a basket by Tiger forward David Adkins, who had taken a cross-court pass from Phillips and gone in for a layup that would have put Benton Harbor ahead

80-77.

Instead, Mona Shores scored on a layup by 6-8 center Mark Rayner to take the lead for the first time in five minutes at 79-78 and added single free throws by Rayner and Jeff Mack before Phillips closed out the scoring on a jump shot with nine seconds left.

"Those were both fast breaks — we weren't even down the court three seconds," McKee said of the disputed plays. "I don't know who they could have called it on."

The late Sailor surge wiped out a stirring fourth-quarter rally by the Tigers, who trailed

a majority of the game but pulled ahead by as much as six points while sinking 11 of 14 shots in the final period.

Phillips led the charge by hitting six shots without a miss and ended the night with a career high scoring total after connecting on 14 of 22 field goal attempts and 5 of 8 foul shots.

He also dished out some nifty assists to help the Tigers achieve scoring balance with center Keith Seahorn getting 13 points, forwards Adkins and Andrew Atterberry 12 apiece and guard Jettie Rice 10.

Seahorn also had 17 rebounds including two perfectly-timed tip-ins and Adkins grabbed 14

more.

Mona Shores also had five players in double figures and the big one was Rayner, who was dropped from the starting lineup because of poor play Tuesday against Reeths-Puffer but came off the bench to turn the tide with 11 points in the fourth quarter.

Rayner finished the game with 17 points while Tim Parker had 14, Don Hebert 13 and Jim Bronsena and Mack 12 each.

"When he came in there, I thought he made the difference," Mona Shores coach Howard Clark said of Rayner. "And when Benton Harbor

started to get the momentum in the second half we tried to force them to change the tempo with that diamond-and-one press, and I thought it worked."

"But a game like that...what can you say? I know how bad Earl feels right now."

The loss leaves the Tigers right back where they were a year ago with an 0-2 record to take into next Friday's LMAC game against Muskegon Catholic Central at the Colfax gym.

Mona Shores now is 2-1 for the season and 1-0 in the conference.

Paul Wilhite's Tiger Cubs again came through in the

preliminary game, outscoring the Sailor jayvees 31-16 in the fourth quarter to pull out an 88-74 victory.

Ray Thompson led the scoring with 29 points while Benny Bowers had 19. Russell Steele 15 and Jerry McClinton 13.

Lakers Turn Lights Off On New Buffalo

Pelkey, DeLeeuw Standouts

By BILL MOORE
Staff Sports Writer

Lake Michigan Catholic had enough power to take care of New Buffalo here Friday night, but not enough to keep its gym in working order.

The Lakers rolled over the Bisons 70-50 to pick up their second win in Red Arrow conference play and third straight for the season without a loss. But they had to wait a while to do it.

After taking a 39-21 lead into the locker room at halftime, the Lakers were forced to sit on their lead nearly 30 minutes longer than the normal rest period when half the lights in the Lake Michigan gym went out.

Successful repair work finally got the teams back into action, with the Lakers building a commanding 57-33 lead going into the final period.

"Overall it was the best effort we have had so far this season," said Lake coach Al Nixon. "We had some defensive lapses that shouldn't have been there, but otherwise I thought we looked pretty good."

One of the brightest spots for the Lakers was the scoring of forwards Kevin DeLeeuw and Gary Pelkey. Both totaled 18 points, while hitting in double figures for the first time this season.

"Teams that try to concentrate on stopping (Dave) Carnegie just can't let DeLeeuw and Pelkey go," said Nixon. "We were forced to go without Dave quite a bit tonight and I was glad to see we were able to make up the slack. It proved to the team they can play without him if they have to."

Carnegie ran into foul trouble

in the first quarter and sat out all of the second and nearly the entire fourth. But while he was in action the 6-6 center put in 18 points, while hitting nine of 13 field goals.

"I thought Carnegie was just super tonight," said New Buffalo coach Mike Oakes. "I wasn't too displeased with our play. We are young, but we're learning a lot every game."

The Lakers had little trouble in picking up the victory as they have taken every win this year by a 20-point difference in the score.

Lake Michigan jumped off to a 12-0 lead and DeLeeuw and Carnegie both put in eight points as the Lakers took an 18-8 first-quarter lead.

New Buffalo couldn't slow the Lakers in the second quarter with Carnegie on the bench. Pelkey hit four-of-four field

goals and two-of-two from the line and the team canned eight of 14 shots as it opened a 39-21 halftime lead.

The Bisons cut the margin to 41-27 after the delayed start of the third quarter. But with six minutes left in the period, the Lakers ran off 12 unanswered points with the 53-27 difference their biggest lead of the contest.

The Lakers took advantage of New Buffalo's 23 turnovers, converting 10 into baskets. Lake Michigan gave up the ball 15 times.

Dave Prusa put in 20 points to the lead the Bisons and game scorers. Randy Mast added 16.

"I thought our guards (Prusa and Mast) did a commendable job," said Oakes. "Plus we had some players come off the bench to help us out. I think we will start coming on pretty strong if we can just keep from getting discouraged."

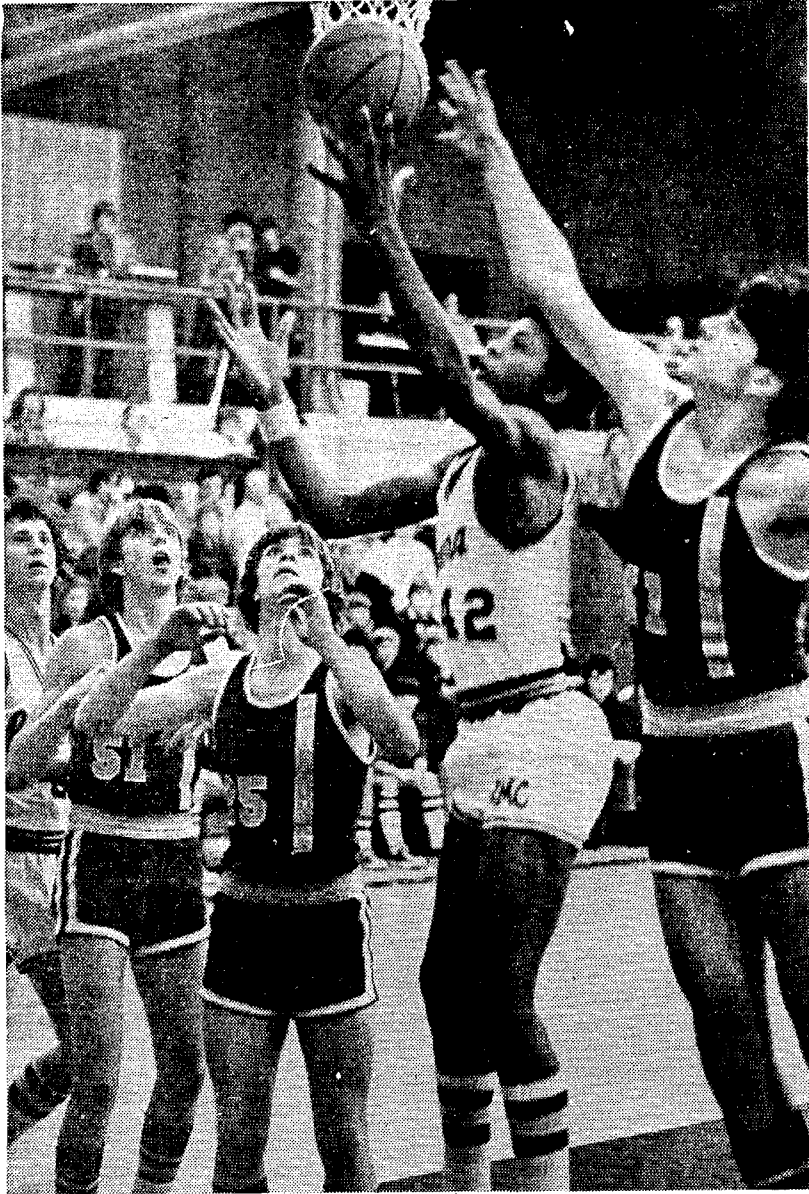

Lake Michigan hit 32 of 79 shots for 43 per cent, while the Bisons canned 18 of 54 for 33.3. Lake stats had themselves with a 40-28 board advantage, while New Buffalo had a 46-36 difference. Mast had 10 caroms for the Bisons, while Pelkey had 14 to lead the Lakers.

The little Lakers upped their jayvee mark to 2-1 with a 57-40 victory.

Jim Elter paced the win with 14 points, while Brian Pahl had 10 for the little Bisons.

Bears Lose Whistle Duel

Portage Central Wins Long One, 76-46

By JOHN VANDEN HEEDE
Staff Sports Writer

PORTAGE — St. Joseph fans had to endure much more than their Bears' 76-46 Big Six shellacking from Portage Central here Friday night.

They also had to put up with a tedious 64 fouls and 59 turnovers in a lengthy game which took almost two hours to play.

All the whistle blowing had little bearing on the outcome — St. Joe had the most fouls with 35 and Central led in turnovers with 30 — but it certainly took the fun out of the game for players, coaches and fans.

Central won the game for all practical purposes when it opened the second quarter by scoring 18 consecutive points without a St. Joe return, Central made 12 free throws without a miss during the spree and a trio of Bear starters picked up their third fouls and went to the bench.

"Never has so much been seen by so few in such a limited period of time...I kid you not," said St. Joe George Gauder on the almost unreal string of events.

"I know we played a poor ball game but I can't help feel that kind of officiating contributes to that. You can't generate an offense when you have 18 real or imaginary turnovers called in half a ball game."

Portage Central center Steve Mowry, who was substituting for injured Mike Ortega, led all scorers with 22 points. Teammate Dave Holmes added 17. Tops for St. Joe were Ed Owsianka and Mike Ryan with 12 and 11, respectively.

St. Joe made just 14 of 50 field goals (28 per cent) and 18 of 32 free throws. Central connected on 20 of 51 from the floor (39 per cent) and 36 of 51 charities.

St. Joe actually led 10-9 at the end of the first quarter despite making nine turnovers. Central made just 3 of 13 field goals and only 3 of 9 free throws.

But Central's cold shooting was nothing like the Bears experienced in the second quarter, when they scored just five points and had their only field goal tipped in by a Central player.

Coach Scotty Wilson's Mustangs led 34-15 at halftime and 57-28 entering the last quarter.

St. Joe had three starters get their fourth fouls within just a two-second span in the third period. Five players eventually fouled out, including three Mustangs.

Central, which downed Kalamazoo Christian 51-43 in its season opener, is now 1-0 in the Big Six and 2-0 overall. St. Joe slipped to 0-2 in the league and 1-2 on the season.

Central was a pre-season pick to battle Niles for the Big Six title but Wilson isn't sure his Mustangs are that strong. "They've got a little more size and firepower," declared Wilson. "But I would say that we'll have a good year."

St. Joseph's junior varsity did remain unbeaten at 3-0 by downing Central in the preliminary 47-41.

Henry Follman and Mike Collier scored 12 and 10, respectively, for the winners while Nat Davidson had 14 and Doug Fletcher 10 for Central.

St. Joe led 15-8 after the first quarter, 27-18 at halftime and 37-28 entering the final period.

Valley Reels In Double Overtime Prize

By JERRY DYKSTRA
Staff Sports Writer

THREE OAKS — River Valley kept plugging away here Friday night until it reeled in a whopper of a victory.

The youthful River Valley crew landed a prize trophy with a pressure-packed, double-overtime 69-65 victory over Brandywine.

The Mustang Blossomland win was achieved through the efforts of a superlative defensive performance and the Herculean job of Dave Waaso.

Waaso, a 6-4 forward, almost single-handedly controlled the game with his shooting and rebounding. The senior whipped in 34 points and hauled down 15 rebounds. He pumped in three of the four River Valley baskets in the two overtimes.

The win has to be classified as a major surprise. River Valley, with Waaso the only senior starter, looked shaky in a 61-44 loss to St. Joseph on Tuesday while Brandywine, the defending Blossomland champ, was considered the favorite along with Lakeshore for league honors this season.

"I'm so excited and happy I don't know if what I say is going to make any sense," beamed Mustang coach Jerry Schaffer after the game. "Of course anytime you win in overtime you have to be happy. But we knew Brandywine along with Lakeshore were the favorites in the conference. So we knew we had to beat them."

"We're a young team but we really arrived tonight. Now we're in first place in the league. I'm really excited about the rest of the season."

The Mustangs' tight man-to-man defense also won Schaffer's praise.

"We just played good defense the whole game. We played well in the first half but we just couldn't hit our shots outcourt. We started to shoot better and hit the boards better in the second half."

The River Valley defenders forced the Bobcats into 30 turnovers, including two key errors in the final overtime. As a result, the losers could get only 50 shots away compared to 90 for River Valley.

The Mustangs also out-boarded the much-taller Cats 30-14 after intermission after being outclassed 21-7 in rebounding the first half.

With River Valley trailing 30-24 at the half, the Mustangs forged ahead by outscoring the Bobcats 20-9 in the third period. But Brandywine, trailing by eight with 5:40 left in the game, came roaring back and tied the count at 59-59 on Gary Price's basket at 1:38.

Terry Burgess then put Brandywine on top for the first time in the fourth period on a jumper at 1:04 but Mike White's two free throws with 33 seconds to go sent the game into overtime.

Burgess, who scored 11 of his 19 points after the third quarter, hit early in the first overtime to put the Bobcats up 63-61. But again the Mustangs bounced back with a clutch bucket by Waaso with only five seconds remaining.

Waaso hit another jumper in the second overtime but Dave Furst retaliated with two free throws to keep the game deadlocked. Finally Waaso — who else — broke the tie for good with a five-footer at 1:20. Mustang sub Steve Rennhack then drove home a 25-footer with three seconds left to send the

River Valley fans into hysterics.

"Rennhack and North (Bob) really did great jobs under extreme pressure," noted Schaffer. "And Waaso also shot very well tonight. He got off to a slow start in our first two games but tonight he was on. I'm just real pleased with our entire team."

Waaso, who had scored 27 points in his first two games, canned 16 of 31 shots afield and two of two free throws. White added 12 points and Mitch Coffman 10.

Paul Elrod followed Burgess' 19 with 17 points. Price netted 14.

River Valley, which ended with only 11 turnovers, shot 33 per cent from field but 51 per cent in the third and fourth periods. Brandywine ended at 42 per cent but took 40 less shots. The Bobcats kept in the game by sinking 23 of 34 free throws to River Valley's nine of 13.

River Valley is now 2-1 overall while Brandywine, which travels to Three Rivers tonight, is 0-2.

The little Mustangs took the preliminary tilt 58-38. Ira Stewart sparked the win with 24 points while Dave North had 16. Greg Gallas led Brandywine with 17.

Game Tonight At Lakeshore

Tonight's game between Lakeshore and Dowagiac, originally scheduled to be played in Dowagiac, has been moved to Lakeshore because new bleachers have not yet been installed in the Chiefs' gym.

The second meeting of the two teams on Feb. 9 will be moved from Lakeshore to Dowagiac.

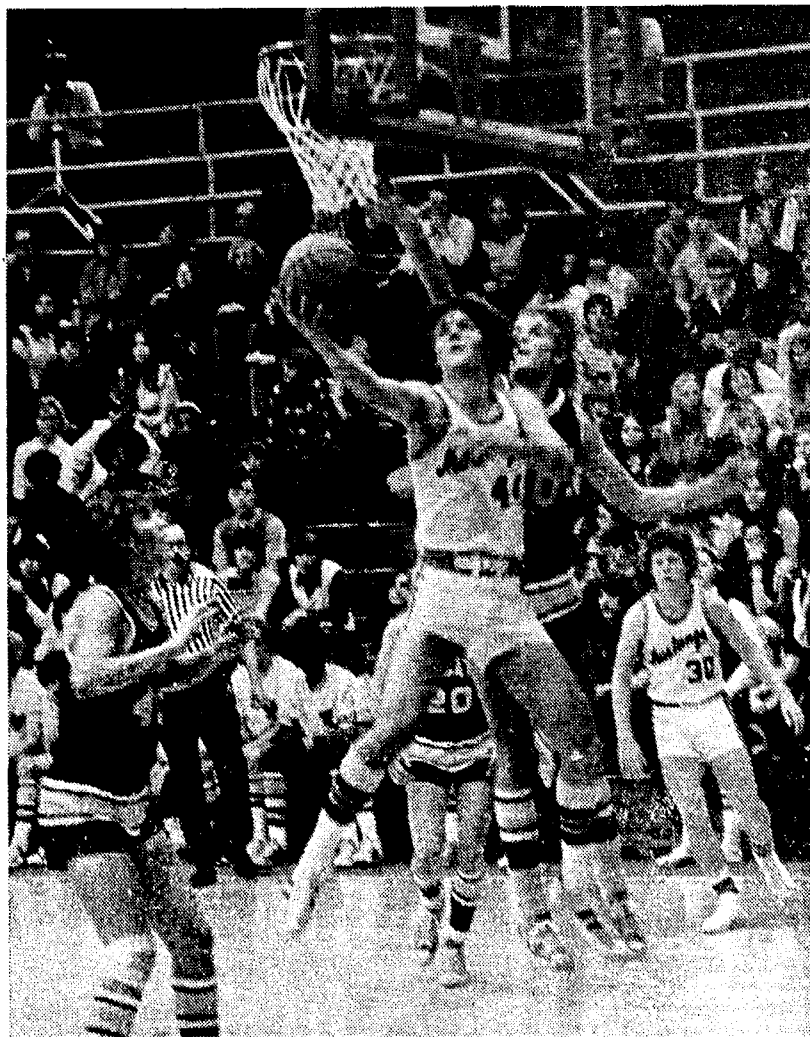

U-M Icemen Topple Irish

ANN ARBOR, Mich. (AP) — Michigan skated its way to a fourth place Western Collegiate Hockey Association tie Friday night, defeating Notre Dame 6-4.

Kris Manery scored twice as U-M skated to a 6-3 lead at the end of the second period. Don Dufek hit the ice for the first time this year and came up with one goal and two assists. Dufek had been playing for the undefeated Wolverine football team.

Notre Dame's Eddie Bumbacco tallied twice to lead the Irish.

The victory thrust Michigan, now 4-4-1 in WCHA play, into a fourth place tie with Minnesota. U-M is 6-4-1 overall. Notre Dame is 3-7-1.

WAASO WHEELS: River Valley's Dave Waaso wheels through the Brandywine defense for a reverse layup while scoring 34 points in the Mustangs' 69-65 double overtime Blossomland triumph over Brandywine Friday night. Bobcat center Paul Elrod tries to stop the play while River Valley's Kevin O'Connell (30) and Brandywine's Terry Burgess (40) watch the action in the Mustang gym. (Staff photo by Pete Mitchell)

Gen. Vos. No. 20609 -
20639 incl. \$38,790.45

Mr. Hanley, seconded by Mr.
Gast moved approval of the
foregoing reports as presented.
Roll call resulted as follows:
Yeas: Commissioners Gast,
Hanley and Tobias. Nays: None.
Absent: Commissioners Se-
lent and Smith. Motion declared
carried.

The Attorney reported that he
was securing a date for a hear-
ing on the "Ambulance Case".
The City Manager presented
the following bids for Fire Hose:

Bob McCaleb Fire
Equip., Muskegon Hts.,
Mich. (4" - \$4,360.00)
(5" - \$6,255.00)
Peter Payette Co.,
Gross Ile, Mich. (4" -
\$4,408.90) (5" - 6,314.75)
Snap-Tite, Inc., Union
City Pa. (4" - \$4,452.90)
(5" - \$6,395.75)

The City Clerk reported that
the Monthly Reports for Oc-
tober, including the Financial,
Police, Fire, Sanitary Inspec-
tion, Public Works and Water
Filtration Plant, have been
presented to the Commission.

Mr. Gast, seconded by Mr.
Hanley moved approval of the
foregoing reports as presented.
Roll call resulted as follows:
Yeas: Commissioners Gast,
Hanley and Tobias. Nays: None.
Absent: Commissioners Se-
lent and Smith. Motion declared
carried.

The Attorney reported that he
was securing a date for a hear-
ing on the "Ambulance Case".
The City Manager presented
the following bids for Fire Hose:

Bob McCaleb Fire
Equip., Muskegon Hts.,
Mich. (4" - \$4,360.00)
(5" - \$6,255.00)
Peter Payette Co.,
Gross Ile, Mich. (4" -
\$4,408.90) (5" - 6,314.75)
Snap-Tite, Inc., Union
City Pa. (4" - \$4,452.90)
(5" - \$6,395.75)

He recommended the
purchase of the low bid of 5"
hose from Bob McCaleb Fire
Equipment at \$6,255.00.

Mr. Hanley, seconded by Mr.
Gast moved to accept the low
bid as recommended and
authorized its purchase. Roll
Call resulted as follows: Yeas:
Commissioners Gast, Hanley
and Tobias. Nays: None. Ab-
sent: Commissioners Se-
lent and Smith. Motion declared
carried.

The Manager reported that he
had received a letter dated
November 19, 1973, from F. R.
Russell, District Engineer,
Department of State Highways
and Transportation, concern-
ing the proposed bridge over BL
1-94 in the vicinity of Wallace
Avenue. The letter stated that
the Department will issue a
permit for the bridge but it

must be constructed at the ex-
pense of the City. The Depart-
ment may participate in the cost
only if the highway facility has
been expanded because of
increased laneage creating a
change in pedestrian security
and crossing habits.

The Manager stated that con-
sideration should be given to
Christmas lights in the City in
the light of President Nixon's
statement November 25, 1973.
The Manager was informally
advised to remove downtown
street lighting and turn off the
tree on Broad Street near the
warehouse, but to keep the large
tree at the corner of Broad and
Main Streets lighted on a limited
basis for the time being.

The Commission then con-
sidered the resignation of Com-
mission Tobias.

After discussion Commis-
sioner Hanley, seconded by
Commissioner Gast, moved that
the resignation of Commis-
sioner Tobias be accepted with
regret effective at the close of
the Commission meeting
November 26, 1973.

Roll call resulted as follows:
Yeas: Commissioners Gast,
Hanley and Tobias. Nays: None.
Absent: Commissioners Se-
lent and Smith. Motion declared
carried.

There being no further
business to come before this
Commission Mr. Hanley moved
to adjourn until December 3,
1973 - Monday.
